

# Active Enquiring Minds

## Supporting young researchers

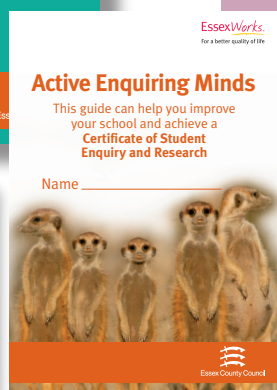

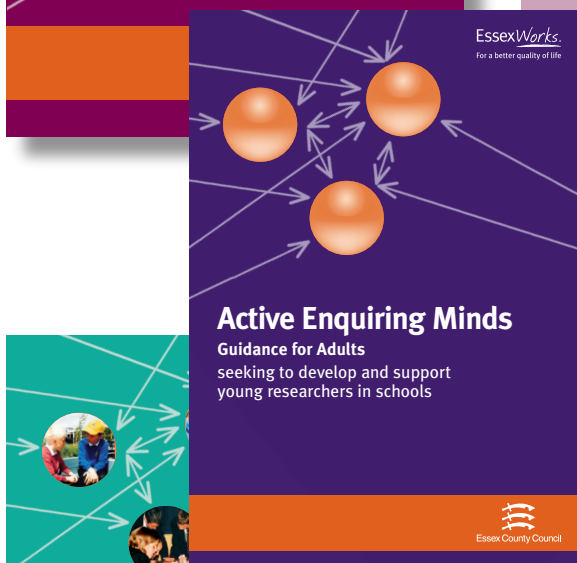

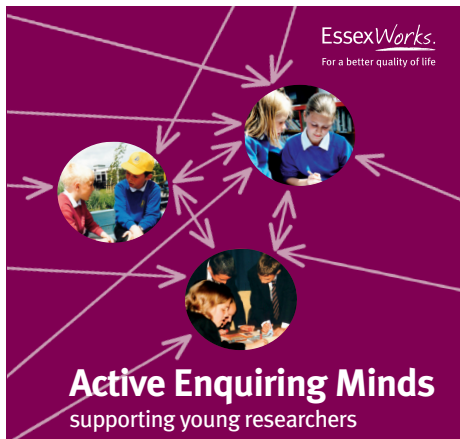

Ros Frost; Rosemary Prince; Graham Handscomb

**Active Enquiring Minds** is a brand new, unique publication.

It is a **guidance pack** and **manual** for **young researchers** and the adults who support them.

It includes:

- A rationale for schools to develop children and young people to be researchers
- Step by step guidance for young researchers
- Guidance for adults supporting young researchers
- A research work book for Primary School children
- A research work book for Secondary/High School children
