

FAVORITE SUBJECTS AND  
TEACHERS' QUALITIES  
FOR GRADE 6 AND 4.

**Done By: Wassim  
and Micheal.**

# Why did we choose this topic?

We chose this topic :

- ▣ To let teachers know what students think about their subjects.
- ▣ To make lessons more enjoyable.

What are our main research questions?

A. What subjects do you like?

B. What do you like about your teachers?

# What did we do?

- A. First we took permission from the director to do this project and to ask students some questions.
- B. We prepared the questions and we typed them.
- C. We practiced the questions by asking them to each other.
- D. Finally we gave the students the questions to answer them.

# Why??

**To know from the students:**

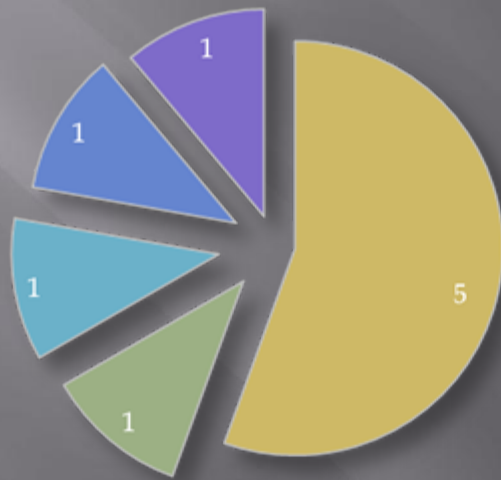

- **What subjects do they like?**
- **What subjects they do not like?**
- **What they like and they don't like about this subject?**
- **Why do they like some teachers more than others?**
- **How can we make the lessons more interesting?**

# What subjects do students like?

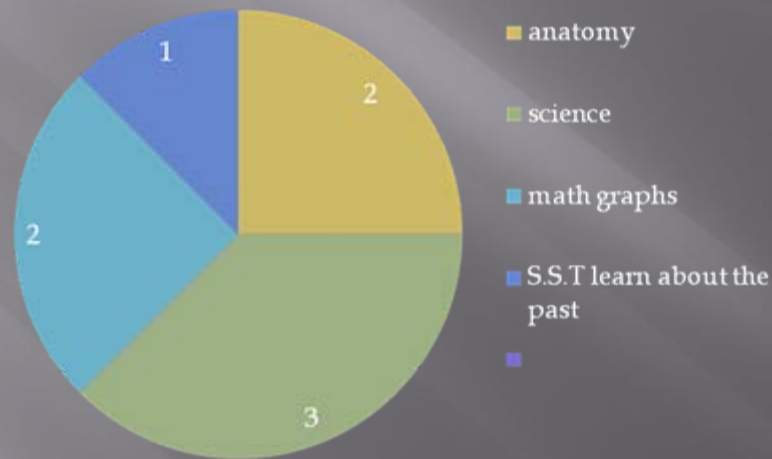

- Math
- Science
- S.S.T
- English
- P.E

Why ????

- like/fun
- lab
- easy
- more information
- love teacher

# What lesson did you enjoy?

# How can we make lessons more interesting?

results

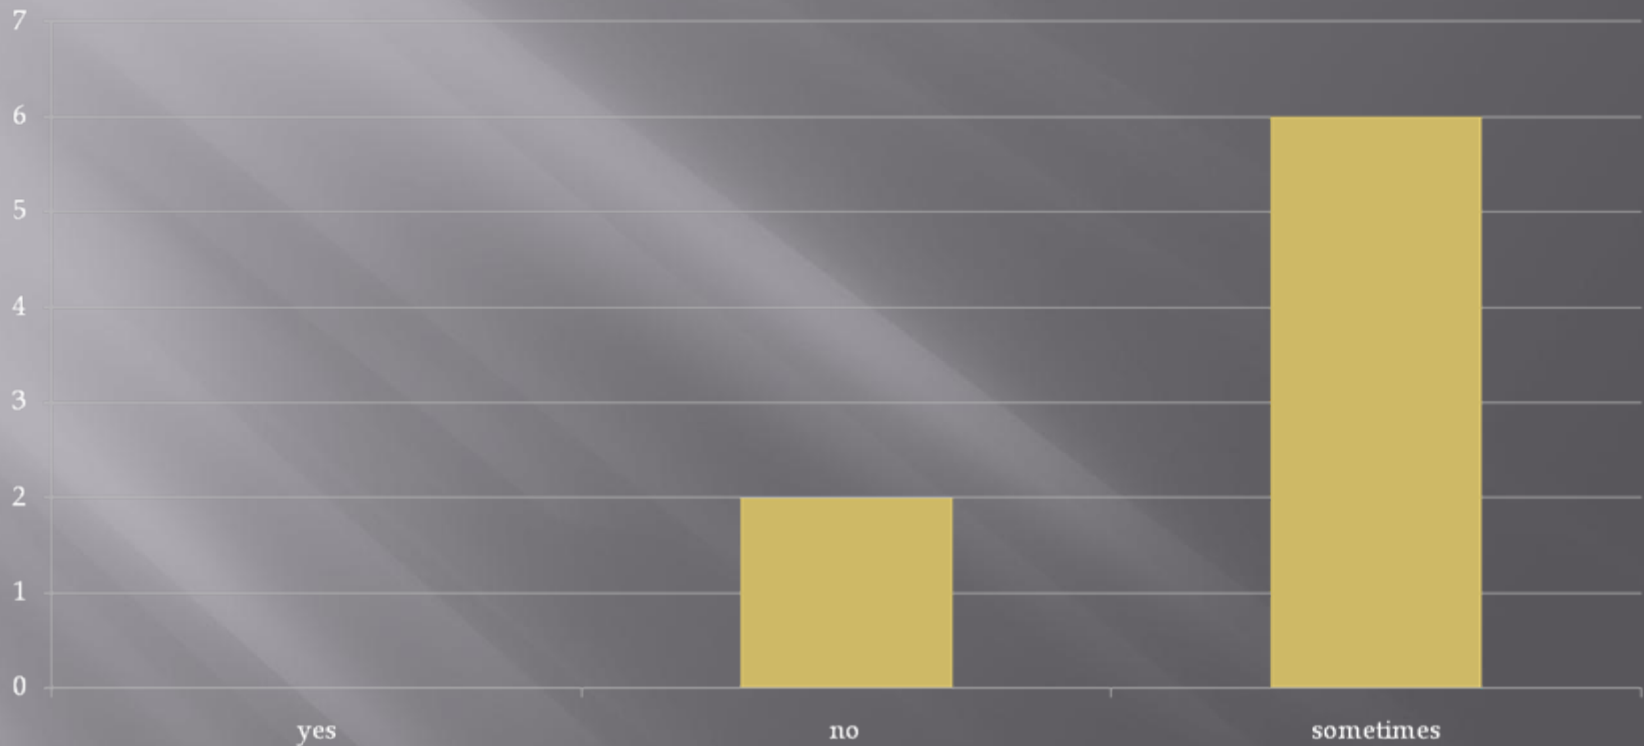

# What do you like about your favorite teacher?

# What don't you like about some of your teachers?

# Do you feel teachers treat all the students equally?

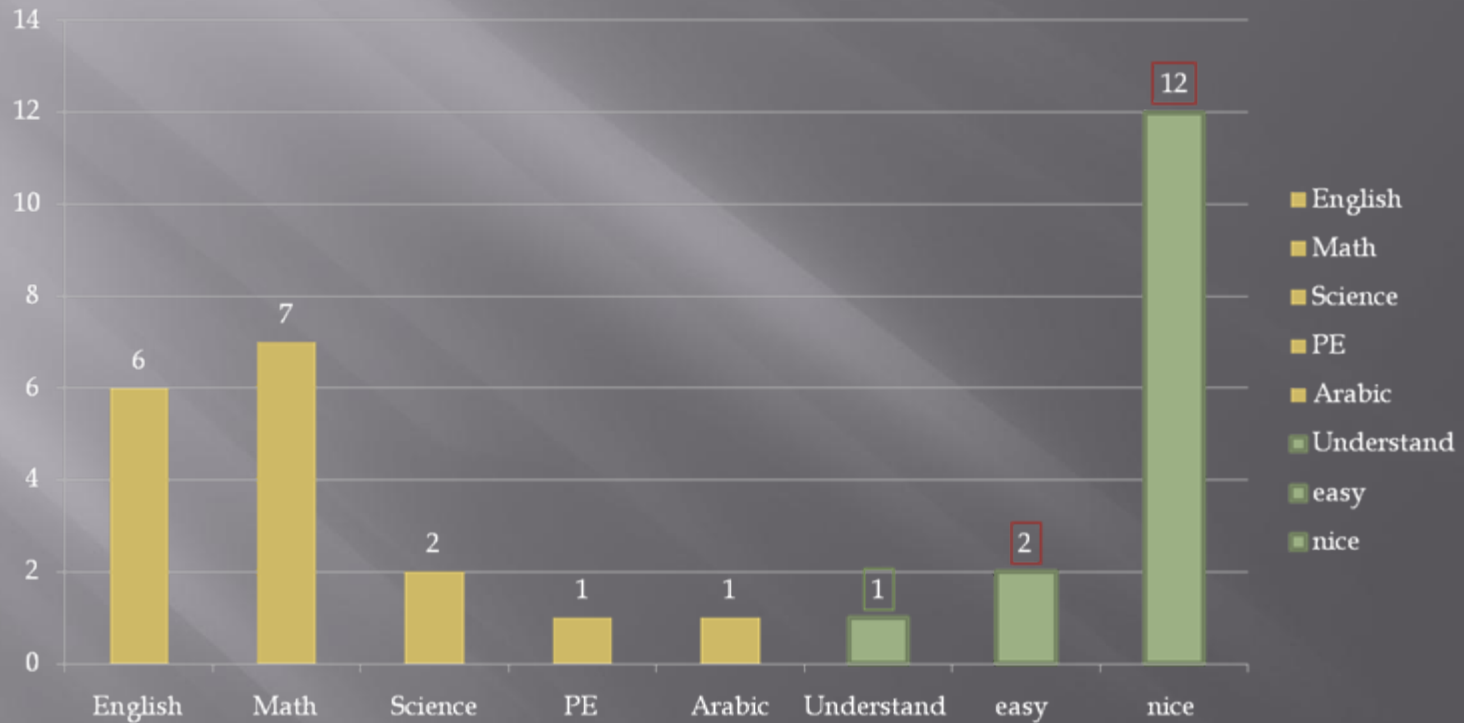

- 75% of the students said that sometimes teachers yell at them.
- 37% of students are never ignored .
- 25% of students are ignored when they have bad grades.
- 75% of students think that teachers are kind with them.
- 50% of the students say that the teachers help them understand the lesson.

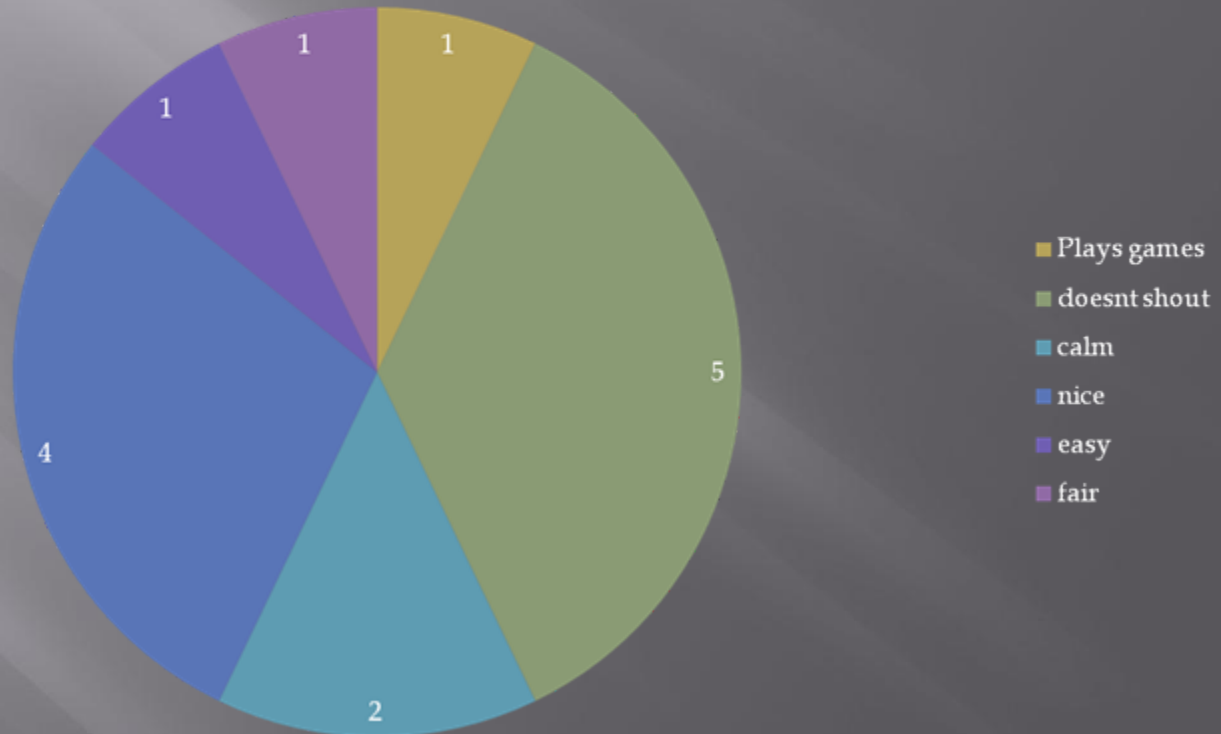

- ▣ 62.5% of the students say that not all of the teachers are good towards them.
- ▣ 50% of the student said they do not participate in class because teachers shout at them.
- ▣ 87.5% of the students enjoy the lesson when they have activities.
- ▣ 50% of the student said that english is the most important subject.

# GRADE 4

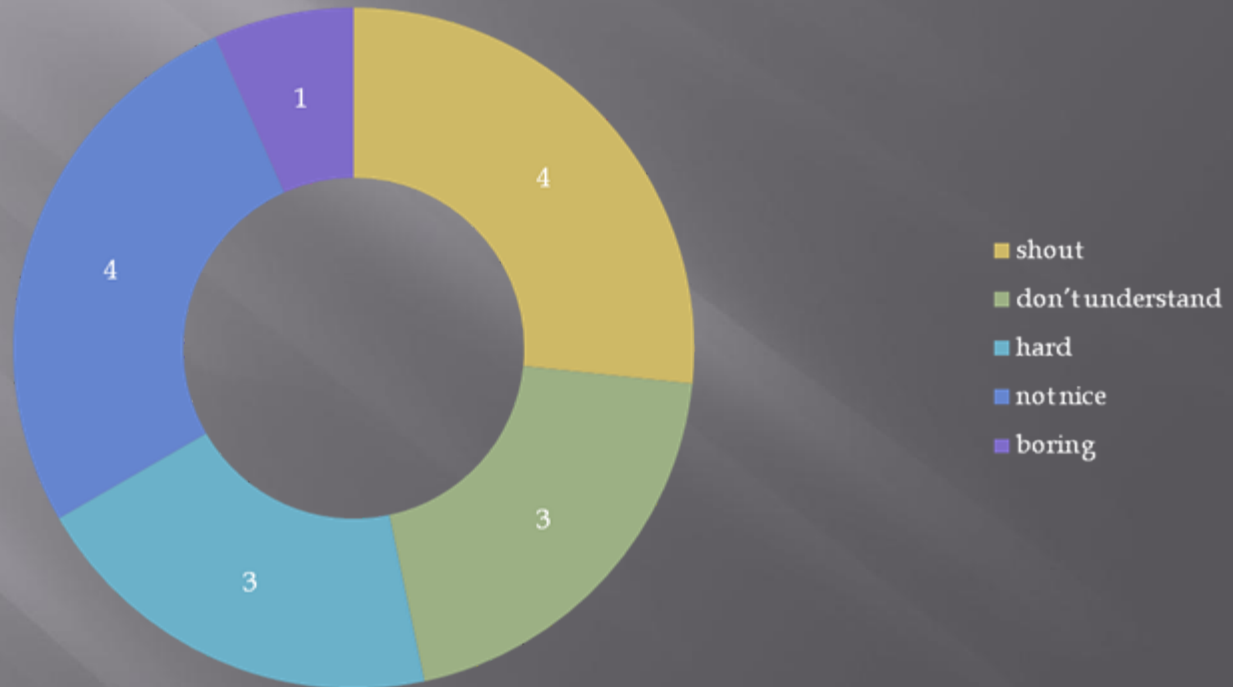

## What subject do you like? Why?

# What do you like about your favorite teacher?

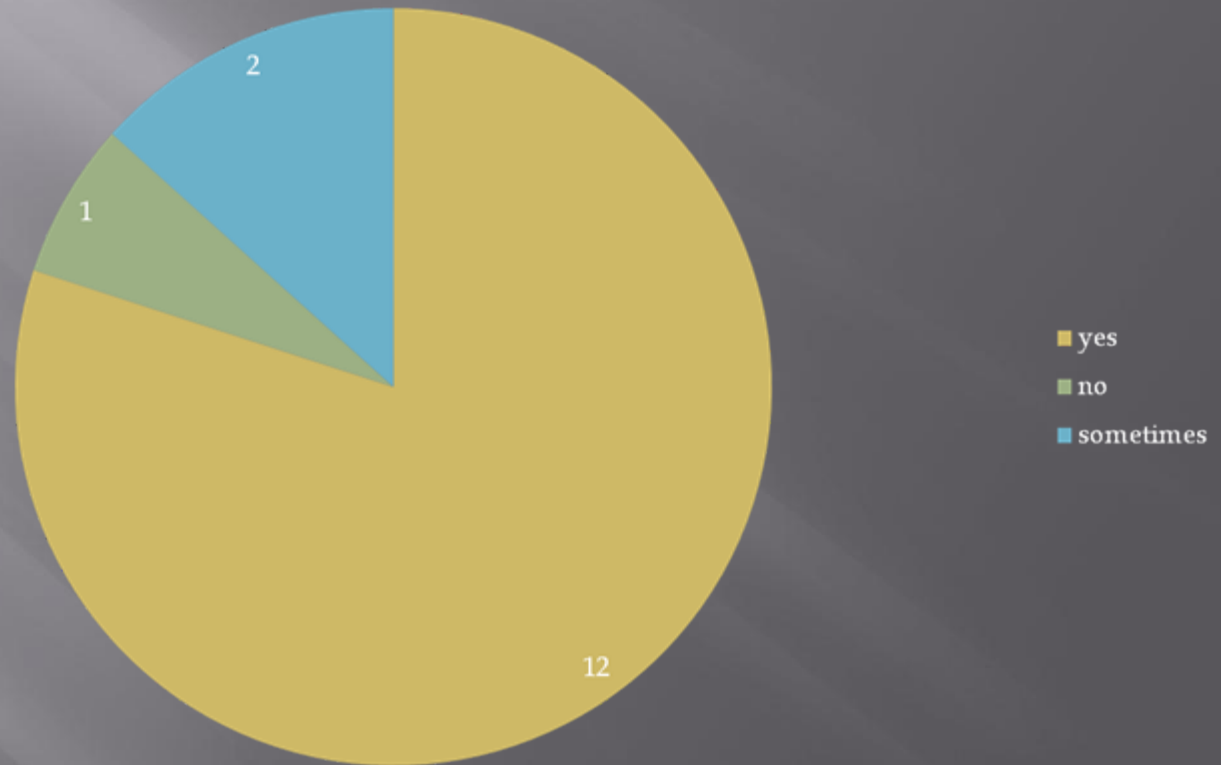

# what don't you like about some of your teachers

# do you feel that teachers care about you?

# do you think that teachers listen to you

# Conclusion

- ▣ We learnt in this research that students prefer a teacher that is good with them and does not shout and gives confidence to the students.

# Recommendations

- ▣ Teachers can do more things like: activities, group work.....
- ▣ Teachers can ask students about their problems.
- ▣ Teachers can find a way not shout.
